

### Bridge Boston Charter School is Hiring - Come Visit Us!

We are hiring teaching fellows for 2018-19. Please come to our recruitment Open House on Tuesday, December 19 from 9am-12pm. Visit classes, speak with students, fellows, teachers and our principal. See first hand what makes Bridge Boston a rewarding place to work and grow! [Click here to RSVP](#)

**Bridge Boston Charter School** is a public school with a deep commitment to children who have traditionally been denied educational resources. Our students come to us through a **public lottery** that is open to all **age-appropriate Massachusetts residents**, with **preference given to Boston residents**. We welcome all students and are deeply committed to making a special effort to reach children who are at risk in their social, emotional, or academic growth. We have intentionally built a school that is uniquely suited to support our students and help them achieve their full potential, including those students who are: homeless, SPED learners, ELL learners, involved with DCF, in need of counseling, and/or overwhelmed by multi-generational poverty.

#### **Students at Bridge:**
